## Board Decides To Buy Diesel Engine; Replace Old Power Plant Switchboard

Acts As Supt. Moore Says Capacity Limit Is Being Reached

Load Growing Faster Than Ever Before Due To New Developments

Following the report of Thomas Moore, superintendent, on Sept. 21, that the "load was growing faster" than it has ever grown before in the Power Plant, and that "we are rapidly running out of reserve capacity at the station," the Village Board has decided to immediately order another Diesel engine just as soon as the necessary formalities can be complied with. The switch board, which has been in use since 1924, likewise is to be replaced with a new one also as soon as plans and specification can be drawn.

In his report, Superintendent Moore also advised the board that "we will completely run out of firm capacity (the load you are able to pull when your largest engine is shut down) in the Power Plant. This represents a very dangerous situation."

Our present firm capacity is 7,500 K.W. Our peak load this winter will exceed 8,000 K.W. Our real firm capacity will be less than the 7,500 K.W., he added.

Veterans' Color Guards at Display of Freedom Bell

Freeporters welcomed the Freedom Bell, now on its way to Berlin, when it was taken on a tour of Nassau County Saturday. Color guards from William Clinton Story Post, A. L., and Henry Theodore Mohr Post, V. F. W., were on hand and Mayor Robert L. Dosssee spoke briefly. Music was furnished by the Freeport High School band under the direction of J. Maynard Wettlaufer.

## Freedom Bell Shown Here; Now On Way For Dedication In Berlin On October 24

A handful of Freeporters got a glimpse of the 10-ton Freedom Bell Saturday afternoon as it was displayed on Sunrise Highway at the Meadow Brook National Park. The bell, which will be dedicated and unveiled in Berlin, Germany, on October 24, was brought to this country by the V.F.W. post spoke briefly, but Oscar J. Fultz, commander of the Legion, arrived just too late to participate in the program.

Many Sign Freedom Scroll

The inscription on the bell reads: "That this world, under God, shall have a new birth of Freedom."

Gen. Lucius D. Clay is national chairman of the Crusade for Freedom, which selected the bell as the symbol of the crusade. The bell will be installed in Berlin and on Tuesday, Oct. 24, United Nations Day, it will be dedicated and will peal out its message which will be broadcast to the nations behind the Iron curtain and the rest of the world, through the facilities of Radio Free Europe, which has been on the air six hours a day, seven days a week, since July 4.

Many signed the Freedom Scroll which is to be permanently enshrined at the base of the bell. Village Trustee Cord Viebrock was in charge of the exercises in Freeport.

## Plans For Northwest Playground Of 3 1-2 Acres Revealed To Civics

The Northwest section is to have a three and a half acre playground with a baseball field and facilities for basketball and skating and horseshoe pitching. Eventually bleachers, a comfort station and other buildings will be added.

This announcement was made by Everett C. Furman, chairman of the Freeport Park Commission at the monthly meeting of the Northwest Civic Association Monday night in the Seaman ave. school. The field will be bounded on the north by Terrace ave., the west by North Brookside ave., and the south by the Long Island railroad tracks.

There will be one baseball diamond, which can be used for either hard or soft ball, playground area to be properly equipped for children, and roller and ice skating. It will be fenced along the railroad right-of-way for the protection of the children who frequent the area. And to discourage people coming from out of town to use the facilities, only a limited amount of parking space is to be provided.

The property is now owned by the Department of Water, Supply, Gas and Electricity of New York City.

SCHLESINGER PHARMACY  
OPEN ALL DAY SUNDAY

The Schlesinger Pharmacy, 6 South Main st., will remain open Sunday after the other druggists in Freeport close at 2 P.M. The telephone is Freeport 8-0041.

## Hall Asks Change Of Administration In Washington, D. C.

Lays World's Plight To Bundling in Talk To Northwest Civics

Placing the blame for permitting Communistic Russia to attain its position of dominance in the world today on the administration in Washington, Congressman Leonard W. Hall in addressing the Northwest Civic Association at its monthly meeting Monday night in the Seaman ave. school auditorium, pleaded for the election of a Republican Congress in November to remedy the situation. He declared too many mistakes had been made in the past and cited recent acts and utterances of President Harry S. Truman to indicate his inability to pursue a fixed course.

The Congressman, who is seeking re-election next month, was introduced by President VanBaar Brown. He spent most of his time in discussing the situation in Korea and the events that led up to it. He pointed out that in 1943 the administration in Washington promised Manchuria would be restored to China after the close of World War II and showed how this promise was broken at the Yalta Conference 13 months later by then President F. D. Roosevelt when it was agreed to turn the area over to Russia.

Congressman Hall told of the numerous secret agreements made at that conference, which he said were not revealed to the then Vice-President Truman and only became known to him after he read the documents following his taking over as President. However, he said Truman went even farther at Potsdam after which he sent orders to the Nationalist Government in China to turn the area over to Russia.

## Clifford H. Crow Is Missing in Action

Mrs. Nellie Balch, 179 Commercial st., has received word that her brother, Pvt. Clifford Herbert Crow, was reported as missing in action on Aug. 30, following an engagement in Korea. Young Crow, who has spent most of his life in Bellmore, where he was born and brought up, quit school in Bellmore in September 1948 to enlist in the Army. He was sent to Camp Carson, Col., for training.

After spending a 21-day furlough at the home of his sister in June, he was sent West to Washington to join his command and then on to the East. Apparently little time was lost before the new arrivals went into action.

In his last letter dated Aug. 19, Pvt. Crow told of being in the front lines. He described the weather as terrible and said a lot of men were being killed and hurt.

"These people are like ants," he wrote. "You kill one and they just keep on coming."

Crow has five brothers and four sisters. A brother, Kenneth, 20, is with the quartermaster corps in Tokyo.

## Skating and Playing In Parking Field Banned

So many children took advantage of the smooth concrete surface of Park Field on North Main st. to use it for skating and bicycling that for the protection of motorists parking their cars in the field, the Village Board was compelled to ban children from playing in the field. Signs have been erected notifying the children that bicycling and playing in the field is prohibited.

# Hall Asks Change

(Continued from Page 1)

China to give the Communists representation on penalty of having the support of the United States withdrawn, with the result that the Reds were enabled to fight on to victory.

In 1947, Congressman Hall visited Korea, at which time he said Gen. Hodge said that if the American troops were withdrawn from South Korea, the Reds would invade the area from the North. Despite this warning, he added that Secretary of State Dean Acheson practically gave the North Koreans an invitation to move in as the troops were withdrawn in January.

On May 11, he said Acheson said there were no signs of war. On June 1, President Truman said the likelihood of peace was brighter than in a long time and on June 25 the North Koreans moved in. This brought about a sudden change in the attitude of the administration when the Army was ordered to protect South Korea from the Reds, and the war started. The Congressman said that though in October

last year \$10,000,000 was set aside to provide arms for the South Koreans, only \$200,000 worth of Signal Corps arms arrived there prior to June 25.

Tells of Incompetence  
"That situation was the result of incompetence and bungling on the part of our administration in Washington," Congressman Hall declared. "If we had given aid in Asia as we did in Europe we wouldn't be engaged in a war in Korea," he asserted. He added that the people were entitled to an expression of opinion as to what the administration had in mind regarding Formosa.

Referring to the fact Russia has 45 times used the veto in the League of Nations, and that the United States has indicated it does not intend to use the veto, he asked, "Why don't we take that weapon out of the charter?"

Remembering that since the beginning of World War II Russia had risen from a power with territory having a population of 170,000,000 population to 800,000,000 at present, he added the Republicans certainly could not have done worse than they have in power.

"These are critical times," the Congressman continued, "and I think we need real leadership in Washington. I think the present leadership brought us where we are." He declared too many mistakes had been made by the administration which had shown a lack of capacity to understand what Communism is and what its goal is.

This was announced at the first October meeting last Friday night when six members were initiated by the degree team, of which Mrs. Walter Combs is captain.

Those initiated were Mrs. James Caruso, Mrs. Cecil Crouch, Mrs. John W. Scott, Mrs. Oscar Kopplius, Miss Edna Dorn and Miss Phyllis Plant. Mrs. Martha Wheeler, councilor, presided.

On Monday night, Oct. 30, a card party will be held in Salamander Hall, Oceanside. Mrs. Crouch is to be hostess at a card party today at 1 P.M., in her home 188 Washington st.

## Chiropractor Harvey To Locate in Freeport

Donald G. Harvey, chiropractor, formerly of Oakdale, N.Y., and recent graduate of the Chiropractor Institute of New York, where he concluded four years of study, has moved to Freeport to take over the practice of Sidney L. Nathanson at 45 West Sunrise Highway.

In moving to Freeport, chiropractor Harvey said, that having been brought up in a small town atmosphere, he elected Freeport because of its "home" atmosphere. Freeport has the advantages of being not only a "home" town in which to live, but a wide-awake business community as well, he added.

Chiropractor Harvey will maintain complete X-ray equipment at his offices.

This week Freeport took a breather in preparation for the game at Poughkeepsie next Saturday. Both the team and the band are working hard to be in top-notch form to meet our up-state rival. A bus has been chartered by thirty-five students to take them to the game. The band has plenty of loyal rooters to cheer them on to victory. All the credit goes to LAURA JEAN VOUGHT for arranging for the bus.

Last week the fifteen members of the Freeport chapter of the National Honor Society attended the Induction Ceremony at Mineola High School. After the very impressive ceremony the students were given a tour of the school.

The cast of the Senior play, "WHAT A LIFE," has been chosen with FRANK FILKINS to play the lead role of Henry Aldrich. Leave Friday night, December 1 open and plan to see "WHAT A LIFE." ### Librarian Speaks To Woodhull D. A. R.

**Elizabeth F. Kelly**  
Sees Television As  
Challenge to Library

Mrs. Elizabeth F. Kelly, librarian of the Freeport Memorial Library, gave a talk on Reading and Television at the first fall meeting of the Woodhull Chapter, D. A. R., in the home of Mrs. J. Elmer Cummins, 58 North Bergen Pl., Saturday afternoon. Mrs. Kelly said television was a challenge to the library, as it could lead to the reading of books through a program of book reviews. Until now, she added, television had had no effect on the circulation of books by the library.

Mrs. C. J. Bostick, program chairman, introduced the speaker. W. Wesley Hill, of Lynbrook, exhibited rare historical documents from the estate of Mrs. Ella D. McCrea of East Rockaway. The collection included a letter signed by George Washington, a document signed by Aaron Burr, an English paper dated 1778 and old deeds.

A memorial service was conducted by Mrs. Frank J. Wetmore, acting chaplain, for Mrs. Henry W. Train, who died in July. Mrs. Frederick W. Whitehouse, the regent, named Mrs. Robert McLellan as chairman of the committee on the American Indian. Mrs. Whitehouse reported on the 54th State D. A. R. Congress held in Albany from Oct. 3 to 6, and Mrs. W. Carl Crittenden and Mrs. E. R. Ebbets also gave accounts of the happenings at various sessions. The local regent presided at the Nassau-Suffolk round table at the Albany event.

Mrs. Howard A. Dalton, chairman of hostesses, during the social hour, was assisted by Mrs. T. D. Carman, Mrs. Crittenden, Mrs. William Gleason and Miss Harriet R. Wallace.

# Community Choral To Present 'The Mikado'

**Performances Set For Oct. 27 and 28 With MacLeish in Title Role**

Esmond MacLeish will have the title role in the presentation of the light opera, "The Mikado," by Gilbert and Sullivan, by the Freeport Community Choral in the Freeport High School auditorium on Friday and Saturday nights, Oct. 27 and 28. Robert T. Tavis, Jr., who directed the successful performances of "H. M. S. Pinafore," in

1948, and "The Pirates of Penzance" last year, is again in charge of the rehearsals and those who have enjoyed the operas of the past two years are looking forward with anticipation to the forthcoming events. The cast is made up largely of those who have participated in "H. M. S. Pinafore" and "The Pirates of Penzance." Those having title roles are:

Nanki-Poo ..... Herbert Wilhelm  
Yum-Yum ..... Gladys Schultz  
Poo-Bah ..... Charles Dorman  
Pish-Tush ..... William Kirkwood  
The Mikado ..... Esmond MacLeish  
Katisha ..... Terry Greenblatt  
Peep-Bo ..... Alma Hattenbach  
Pettl-Sing ..... Doris Marie Constable

There will be a chorus of 45 voices to support the principals in the performance.

The Freeport Community Choral was organized in September 1941, by its present director, Mr. Robert T. Tavis, Jr., who is also the director of instrumental music of the Freeport elementary schools. The immediate objective of the Choral was the preparation for the annual

community Christmas program, which for so many years had been a high light in Freeport.

Dr. John W. Dodd, superintendent of Schools, was chairman of this Christmas program, and he along with Mr. Tavis decided a chorus, consisting of adults from the village, would give the program added interest and enthusiasm.

A chorus of eighty voices was recruited from the various church choirs, service clubs, P.T.A.s and other groups. Four numbers were performed, including the "Hallelujah Chorus" from "The Messiah" by Handel. In January, 1949, the organization was fully established with George T. Yarrow as its first president. A concert was planned for May under the auspices of the U. S. C. with George Britton, former Freeport baritone, as soloist.

Upon his return from service in 1946, Mr. Tavis reorganized the Choral, a nucleus of thirty members elected Raymond T. Kelnan as president. The Choral presented an Easter cantata, "The Seven Last Words of Christ," by Dubois, with orchestra and chorus in the Freeport High School auditorium. This presentation seemed to spur the interests of a number of people throughout Nassau County, and almost immediately the membership became increasingly larger.

1947-1948 was an eventful year. First, the Choral, which had grown to fifty voices, presented a Christmas program featuring Joe Frazier, coloratura soprano of the Milano Opera Company, as guest soloist. During Lent, the Easter Cantata, "Seven Last Words of Christ," was presented with orchestra and soloists Dorothy Hoy, Leonard Allen, tenor, and Charles Dorman, baritone.

In 1949, a spring concert was presented with Norman Jolliffe, bass-baritone, as guest soloist. In addition to all of these concerts, the Choral was busy with its first venture into the field of operatic music, namely, "H. M. S. Pinafore," by Gilbert and Sullivan. It was presented in October to capacity audiences with an expert cast, chorus and orchestra. Among the principal characters who added zest to the production were Betty Keene, George Olsen, Mary Jean Kelly, Charles Dorman, Al Cross, Howard Fitzgerald and Wesley Minnerly.

After the success of this operetta, the officers and the director decided to present Gilbert and Sullivan's "Pirates of Penzance" in the fall of 1949. In the meantime, various programs were presented over the radio, in local churches, and a concert was given in May featuring the Florio Sextette and a Gay Ninety's Quartette.

Two performances of "Pirates of Penzance" were given in the Freeport High School Auditorium, in October. Principal parts were handled by Terry Greenblatt, Mary Di Cagno, Al Cross, Charles Dorman, Howard Fitzgerald, and Wesley Minnerly.

After eight years as president of the Choral, Mr. Kelnan was elected honorary president last January, at which time Esmond MacLeish took office as president.

## Centennial School PTA Marks Cub Scout Night

Cub Scout Night was observed by the Parent-Teacher Association of the Centennial ave. school, Roosevelt, at its October meeting. George Transome, cubbing commissioner for the Southeast District of the Nassau County Boy Scout Council, told of the organization and functions of a Cub pack, stressing especially the need of parent co-operation in such a movement.

Joseph Fleming, Scout commissioner for the district, told of his experiences with cubbing. Three Cub Scout films were shown. The P.T.A., sponsors Cub Scout Pack 60, and Emanuel Jacoby, parent contact committeeman of the pack, called for volunteers to assist him in the work.

Mrs. James Studley was named

chairman of a committee to plan for a military bridge to be given in the school on Thursday night, Nov. 9.

Mrs. Frederick Blathrow is chairman of a series of teas being planned by P.T.A. class mothers. One of these was given for Miss Blanche Chapman, third grade teacher and parents, in Miss Chapman's home. Mrs. Julius Tatem was hostess at another given for Mrs. Henrietta Karasins third grade class in the school cafeteria.

## 42 Members Added To Hadassah Chapter

Forty-two members have been recruited in the membership drive which will be climaxed by "H" Day, Tuesday, Oct. 31. Mrs. Shephard Tucker, membership chairman, reported at the October meeting of the Freeport-Roosevelt chapter of

Hadassah in Temple B'nai Israel. All members present signed the charter creating the new chapter. Mrs. Charles Friedman, the president, gave a report on the National convention held in the Waldorf-Astoria Hotel, Manhattan, in August. She told of the need in the state of Israel for help from the United States. As an example, she explained how the tiny state has

taken in and cared for 430,000 immigrants in the past two years. Other speakers were Mrs. A. R. Schwartz and Mrs. Howard Phillips who also reported on phases of the convention. Mrs. Nathan Diamond, told something of the work of the Hadassah Medical Organization and urged the members to attend a dinner-dance to be held in the Casa Seville Sunday at 7 P.M. This affair is to raise funds for the medical organization. Mrs. Sidney Shebar, program chairman, presented a skit directed by Mrs. Diamond, entitled "Come Join Hadassah Darling." It was amusing and received much applause. In the cast were Mrs. Edgar Lazarus and Mrs. Mac Segall, of Freeport; Mrs. Sidney Lehman, her daughter, Francine; Mrs. Raymond DuChen and her daughter Irene; Mrs. Norman Ravitz, Mrs. Jack Ruby, Mrs. Seelig Schwartz, Mrs. George Goldstein and Mrs. Mordca Schapiro, all of Merrick.

# Who Runs America?

**RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!**

**IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.**

**FREEDOM COMES UNDER ATTACK.** The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

**But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.**

**THE PEOPLE WEIGH THE FACTS.** In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

**They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.**

**THE "GRASS ROOTS" SIGNALS CONGRESS.** In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organizations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

**Today among the 10,000 great organizations on militant-public record against "Compulsory Health Insurance" are:**

- |   |  |
|---|--|
| General Federation of Women's Clubs       | American Legion                            |
| American Farm Bureau Federation           | National Association of Small Business Men |
| National Grange                           | United States Chamber of Commerce          |
| Veterans of Foreign Wars                  | National Association of Retail Grocers     |
| National Conference of Catholic Charities | National Retail Dry Goods Association      |
| American Protestant Hospital Association  | American Bar Association                   |

• Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. • Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. • And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the prideful security of a free and self-reliant people!

## THE VOLUNTARY WAY IS THE AMERICAN WAY!

• Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. • Today

in America—70 million people are protected by Voluntary Health Insurance! • Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. • For information, ask your doctor—or your insurance man.

## Scouts to Visit Grave Of Theodore Roosevelt

More than 3,000 Boy Scouts and Explorers of New York, New Jersey, and Connecticut will make their 31st annual pilgrimage to the grave of former President Theodore Roosevelt at Oyster Bay, Saturday. As part of the pilgrimage, about 2,000 Boy Scouts will camp at Roosevelt Memorial Park on the shores of Long Island Sound beginning noon tomorrow and enjoy a huge group campfire program Saturday night. The Scouts will be under adult leadership, provide and prepare their own food and bring their camping gear. The Scouts will break camp Sunday noon.

Nassau County Council, Boy Scouts of America, will be host for the pilgrimage, under the direction of Richard H. Blauvelt, Scout Executive. A colorful parade with bands, floats and uniforms, Scout Scouts, marching behind a massed formation of U.N. United States Flags and Troop flags, will march at 1 P.M. from the village of Oyster Bay to Young's Cemetery. The parade will end at the cemetery and Scouts will file past the gate-enclosed grave. Then will follow a short, dignified and impressive ceremony in the natural amphitheater below the hill-top grave. Arthur Jackson, blind Scout from Jamaica, will sing "The Star Spangled Banner," and Scout Arthur Manning, New York City will blow taps at close of ceremony.

## Scanning The Sports Scene

By DICK SCHAAF

Last Saturday in the game that was supposed to be a battle of tight defenses, Mephram and Hempstead both displayed lethal scoring punches as the Bucks came out on the long end of a 37-21 encounter.

DICK SCHAAF

The Golden Wave's hard-driving line showed to fine advantage against the aggressive Lawrence squad. Conversely to the Mephram-Hempstead encounter, the Glen Cove-Chaminade engagement, figured as a high-scoring duel, developed into a surprising 6-0 triumph for Chaminade.

George Spellman, last year's leader in the scoring parade, was again throttled although he was the chief Glen Cove passing and running threat. Jack Kraus, a junior halfback, tallied the game's only score. Five Chaminade fumbles prevented further scoring for the Flyers. Glen Cove also saw numerous scoring chances brought to naught.

Other surprises around the county included Garden City's win over South Side, Port Washington's 21-20 squeaker over the Manhasset Indians and East Rockaway's victory over Lynbrook.

**FIGSKIN PICKS**—Last week, we didn't do so good, six correct and four wrongs for a percentage of .600. Totals are now 20 right and 11 wrong for a .645 clip. Mephram risks its unbeaten skin against Riverhead this week and we figure the Bucks are two T.D.'s to the good. In the top tussle of the week, we'll take Hempstead's trampled Tigers over Sewanhaka in a squeaker. Westbury should be able to take the measure of Central by a touchdown. We like Baldwin by 13 points over Oceanside. Chaminade should be able to bypass Cardinal Hayes. We'll stick with the local club, East Rockaway, over the unknown quality, Eastern Military Academy. Freeport over Poughkeepsie; you name the score. South Side figures to regain its winning ways against Malverne while Garden City looks too tough for Great Neck. In the other battles, we'll pick Glen Cove over Lawrence, Hicksville over Oyster Bay, Long Beach over Lynbrook, Manhasset bouncing back over Woodmere and Port Washington over Roslyn.

**ALUMNI JOTTINGS**—Once again, the local star is Walt LaPrairie, the former Mephram flash now living in Freeport. The smooth T-formation quarterback of Rutgers was one of the few bright spots in the Scarlets' 34-26 setback by Princeton. LaPrairie connected for a pair of touchdown tosses and was a constant thorn in the Tiger defense. Bob Langan, former Freeport all-scholastic, was a solid wall at defense in Colgate's win over Western Reserve 47-6. Hofstra, sporting numerous local standouts, reached a new low when they blew a 19-point lead in the final stanza to Wagner 20-19. Freeport's representatives to Fordham, Chris Swagney and Ed Boyle, performed creditably in the Rams setback by Yale. Ozile Sadler, Freeport's all-scholastic of two years back, is now a member of the semi-pro Glen Cove A.A. Don't forget to keep sending in your contest entries.

## After Dark

By JAY MASON

I heard a couple say "There's nothing to do in Long Island. If we only lived in New York!" "How silly!" Actually there's more to do in Long Island than in any other place in America, because Long Island is acknowledged as the play-ground or "pleasure island" of New York.

Right in this area one can bowl at the GROVE ALLEYS, (South Grove and Merrick Rd.), play golf on a number of neighborhood courses, roller skate at Jones Beach or at the Minnetonka rink, dine, dance, and be entertained at such well-known places as South Shore Terrace, Hayloft, Muscare's, S. e. a Breeze, Guy Lombardo's, Huno's, Fulke's, Mal Rute's, India House, Sweden Towers, McKuskey's, The Lamp, and many, many others. In these famous and well recommended establishments one can satisfy his finest epicurian tastes, whether they be for stock specialties, Italian delicacies, Swedish, Chinese, French German, or American dishes.

The entertainment, whether it's a single performer like Dave Shapiro's (Shorecrest Hotel) featured pianist, CLADYS POWELL, or the gala floorshows at the South Shore Terrace, rate with the best offered by any New York club. There are very few nights when some organization doesn't conduct a dance, a party, or a show. Newspapers publicize all these affairs.

Long Island's highways are paramount for motoring and one can find many golf driving ranges, mid-ge golf courses, or archery ranges. There are also many drive-in-theatres within this area. If it's polo, horse racing, automobile racing, skiing, swimming, wrestling, boxing, football, baseball, or any other sport, this section of Long Island leads in these attractions.
